

WHITGIFTIAN ASSOCIATION

Whitgift School, Haling Park, South Croydon CR2 6YT, Tel: 020 8633 9926 www.whitgiftianassociation.co.uk

President - Sir KEITH LINDBLOM

Chairman - PIP BURLEY

Editor - RICHARD BLUNDELL

NEWSLETTER 359 - May / June 2015

A Message from the President

Four months into my year as the President of the Whitgiftian Association, I am enjoying the role very much. I am learning how much work the association does, not just for its members, but for the Whitgift community as a whole - not least through the help we are able to give our new members as they leave school or university and start their careers.

I look forward to our Annual Dinner, which, as you know, will be held on Friday, 12th June at the Caledonian Club in Belgravia. This will be the fourth time the event has taken place there. The first was

Raman Subba Row's dinner in 1982; the second, my father's in 1993; and the third Colin Mead's, in 1998. It will be an opportunity for Old Whitgiftians of all generations to meet and maintain a tradition that goes back to 1884.

I hope to see old friends from my own years at the school - 1966/74 - and I am sure that the 1948/49 prefects, my father among them, will, as always, be there in force. Above all, however, it will be good to see younger OWs joining us to celebrate the amazing achievements of the school today. We have a generous discount for Under 30s, but if any older OWs would like to sponsor a ticket for a younger member, please contact the WA.

A Day with the President

To be at Winchester Crown Court for 10am, I had to roll back the years and motivate myself to be up and at Chipstead station by 7:20am. Sometimes I wonder how I did it every day to get to school before registration and the more daunting prospect of seeing Mr Elvin waiting at the gates with his ominous clipboard. The reason why I was in Winchester was because current President of the WA, Sir Keith Lindblom, invited me as his guest to hear his current criminal trial.

I had originally reached out to the WA Office, explaining my current situation (2nd Year Law student at Exeter University) and my hope for work experience. Vicky in the office then directed my information and CV to Sir Keith.

When I first heard from him, I was getting ready for lectures and my phone rang. It was refreshing to have someone call rather than send a message on Facebook or LinkedIn! He invited me to hear his trial and we spoke about how he could help me progress through university, and our exploits with Old Whitgiftian Rugby Club.

I arrived on the second day of the trial: opening speeches had been submitted and it was time for the evidence given by eye-witnesses to be cross-examined. I found the day hugely beneficial, although it took me a while to work out which barrister was defence and prosecution! As the trial went on, I hurriedly made notes trying to keep up with the pertinent questioning. In the breaks, we retreated to the Judge's chambers to discuss the testament given by each witness.

I found the day to be a real eye-opener. It was interesting, and more thought-provoking than I'd imagined. I was forced to think about the role of evidence of eye-witnesses, their statements and how expert evidence can inform and sway the jury.

As an aspiring barrister, Sir Keith made me aware of the things I should be doing and what I should be aiming to fulfil in my university career. He gave me invaluable insight into how extra-curricular activities such as mooting and debating will give me skills that as a barrister I would certainly need. I would like to thank Sir Keith for inviting me, I

found the day immensely informative and look forward to him mentoring me on my journey to become a barrister.

I would also like to thank Vicky Burley and OW Andreas Dracoulis who have helped me connect with OWs and have given me invaluable advice for pursuing a career in the legal profession.

Jason Bird OW (2006-2013)

Jason's day is a great example of how the network of Old Whitgiftians can help OWs who are embarking upon their career. We have a community rich in expertise in almost every industry.

If you are a recent Whitgift leaver, undergraduate or current Sixth Former, do get in touch if you'd like to make contact with an OW for support, mentoring, work experience or perhaps even a job!

Calling Whitgift Sixth Formers!

Did you know that, simply by being a member of the Whitgift Sixth Form, you qualify for membership of the Whitgiftian Association? Send an email to office@whitgiftianassociation.co.uk or pop into the office (opposite Admissions) to be added to our circulation list and get all the benefits of membership, whilst still at School.

New Zealand Founder's Day Reunion

Three OWs and an Old-Midwhitgiftian met at Speaker's Corner Ale House in Auckland, New Zealand, for a celebratory Founder's Day pint.

Thanks to Philip Holdway-Davis (OW 1971-76) for his efforts organising.

Next year's New Zealand Founder's Day reunion is proposed to take place on Sunday 20th March.

Would you like to setup a reunion? Perhaps you'd like to reach out to OWs who live near you? Or OWs who were at school at the same time? How about getting a group together of OWs working in your profession? Just get in touch with Vicky in the WA Office, who will be happy to help - 020 8633 9926.

Ian Lucas, Phil Holdway-Davis, Simon Kennedy, Alan Mitson

Whitgift Veterans' Rifles

Despite a half decent March, a cold and windy day marked the start of the Veterans' Full Bore season with the annual Practice Shoot at Bisley on Saturday 28th March. Not the ideal conditions but a testing challenge nonetheless! This year's well attended shoot comprised ten members and one guest with some 30 details fired from 600 yards (see image) throughout the day. It was noted by Graham Clark (Full Bore Captain), "Out of the ten members shooting, nine had their own rifles. Quite a change from the old days," and very much indicative of the interest and enthusiasm of those taking part.

The first of our regular full bore matches at Bisley - the LMRA League Round 1 - took place on 19th April and comprised shoots at 300x and 500x for which we entered one team of six. No results for the match are available at the time of drafting this report.

Three further matches in May: namely the LMRA Schools Veterans event over

300x and 600x for which we are entering two teams on 2nd May; the Surrey Veterans match on 16th May for which we also hope to enter two teams; and the LMRA League Round 2 on 17th May for which we will enter one team of six as per Round 1. The final round of the LMRA League (Round 3), the Long Range contest will take place on 7th June.

In mid-March, we held our AGM at the Whitgift Sports Club, as usual a well-attended and positive event, with a mix of admin, discussion and trophy presentations. Two points worthy of mention here, namely, the appointment of Rob Beere as our new Honorary Treasurer. Good luck Rob with the combined dark arts of Double Entry Book-Keeping and Spreadsheets, and secondly the rather sobering fact that half of the Committee are over 70 years of age... watch this space!

We are now at the start of the summer Small Bore competition for which we have entered one small team of five, in

the Surrey County Small Bore Rifle Association league. A gradual influx of new members will hopefully enable us to return to entering two teams when these new shots gain more experience.

In the 2014/2015 Winter League, our A Team are currently 2nd in their division with the last few results awaited.

The Whitgift School Rifle Club is now firmly established with a core membership under the keen management of staff member Peter [PJ] Morrison. With two shooting sessions a week, the boys are now consolidating their shooting development and producing some very promising young shots. The future looks good, with the prospect of matches versus other schools - the way things used to be - not an impossible goal.

Like all clubs and societies, the Vets' longevity [119 years] and continuance relies on loyal and supportive membership, but as life and circumstances inevitably dictate, we need to encourage new members to our sport.

With this in mind, I should like to remind readers that membership of the WVRC is open to current Whitgiftians, OWs, plus former and current, full or part time, members of the teaching, CCF and WA staff, including family members thereof.

To those of you interested in following up a chance to revitalise old abilities or experience rifle shooting for the first time please contact Simon Lacey at secretary@wvrc.org.uk or have a look at the WVRC entry in the WA website under 'Affiliated Societies'.

Alan Hunter (1952-59)

OW Golf Society Report

At the time of writing, the 2015 Halford Hewitt has just finished at Royal Cinque Ports GC in Deal; the Hewitt normally takes place over the same weekend as the Masters, which is relegated to providing a little relaxation in the evening after the serious business of representing the school has concluded on the course.

It is doubtful that the original founders of the competition in 1924 would have approved, but a measure of financial excitement was added this year as news spread that 888.com had a book open on the eventual winners of the 64-school competition. Whitgift (offered at 30/1) were drawn to play Sherborne (25/1) in the first round. It was a suitably close encounter. As the final stages were reached, Sherborne led 2-1, with Hayes and Hollins Whitgift's only winners, and Gibson/Ufton and Webster/Marchbank still out on the course and needing to win

their matches. When Gibson and Ufton proved too much for their opponents on the 15th, and Webster and Marchbank were two up at the same stage, it looked relatively comfortable. However the conclusion was tense, as Sherborne hit back and took the last match down the 18th. Only a superb iron from the right hand rough by Joe Marchbank, to within ten feet of the flag, saw Whitgift home, just, by three matches to two.

The second round opponents were Rugby. Around the turn, things were looking bleak, as Whitgift were ahead in only one of the five matches. Atkinson and Marchbank eventually prevailed, but again Whitgift found themselves 2-1 down and needing to win both of the matches still on the course. Gates and Carmody-Firth, the first pair, then won on the 18th hole, but unfortunately, despite reducing a three-hole deficit to one hole at the 12th, and

coming within millimetres of levelling their match on the next two holes, Hedges and Beck were ultimately unable to repeat the heroics of 2014. Rugby went through.

Disappointing, but it was good to see three students in the team of ten, and with more to come out of the school's academy, the feeling persists that 'we will win this one day'!

The only other news in the period is that the AGM and annual dinner were held at the school in March, and Tony Harris has taken over from Mike Berners-Price as society captain.

The first open meeting of the season takes place at Effingham on 30th April; any budding - or wilting - golfers are welcome to join the society and should contact Peter Gale (secretary) at peterbgale@sky.com.

Peter Gale (1963-69)

OW 5s Club Report

The OW5s Club had a thoroughly enjoyable and successful tour to the South West on 13th-15th March 2015 - carefully planned to coincide with plentiful 6-Nations viewing!

Venturing westwards on Friday 13th, eager tourists and supporters headed to Sherborne. At first surprised to be offered torches at the hotel (due to a major power-outage across the town) fortunately plans to affix said-torches to players to enable the first match to go ahead proved unnecessary as the power came back on just in time to play! The OWs secured a win.

Boosted by plenty of Friday evening beer at Sherborne's Digby Tap, the touring party headed onwards to play a joint Tiverton & Exeter team on Saturday. The OWs secured another victory, followed by equal success from the England rugby squad which provided most enjoyable post-match entertainment.

Sampford Peverell provided hospitable accommodation for tour night two, and on Sunday morning the OWs ventured to Bristol to face the daunting fire-power of West of England Club's finest. Possibly boosted by England's performance the day before, the OWs recorded a strong and unexpected victory. The touring party made their way home eastwards, celebrating the clean-sweep and another enjoyable tour. Thanks to all who helped make the tour such a success.

Regular social 5s sessions are held on the Whitgift school courts on Thursday evenings, as well as occasional Sunday mornings. Do contact Nick Woolfenden (1986-94) at nickw5s@hotmail.com if you'd like to play or want any more information.

Nick Woolfenden, Ed & Wendy Andrews, Dave Hebden, Jonathan Higgins, Robert Dalman, Graham Norman, Tony Hamilton, Nicki Woolfenden

Four OWs for GB in Modern Pentathlon

Four Old Whitgiftians represented GB in senior modern pentathlon competitions, in March. **James Myatt** (2007-2009) and **Sam Curry** (2005-2012) were part of the four-man GB team selected for the five-day UIPM 2015 World Cup #2 event in Cairo, Egypt. **Joe Choong** (2008-2013) and **Tom Lees** (2005-2012) put in solid performances in the Budapest Cup to finish in the top eight, with Joe Choong 5th and Tom Lees 8th.

OW Liverymen's Dinner

The Whitgiftian Association is looking forward to welcoming OWs who are members of Livery Companies or Guilds to a dinner on board HQS Wellington on the evening of **Friday 4th July 2015**.

HMS (now HQS) Wellington was built for the Royal Navy in 1934. She patrolled the Pacific around New Zealand from 1936 until recalled for duty during World War II when she rescued over 450 Merchant Navy seamen in the Atlantic, evacuated troops at Dunkirk, participated in the North African landings and helped sink an enemy U-Boat. In 1948, she was purchased by the Honorary Company of Master Mariners to serve as their Livery Hall; her engine and boiler rooms being transformed into the magnificent Court Room.

The cost is **£75 for WA Members** and their guests, and £90 for non-members. Guided tours have been specially arranged prior to dinner.

Contact the WA Office to secure your place at this unique event, or book online at www.whitgiftianassociation.co.uk/events.

News from the School

Another full and action-packed term at Whitgift finally came to an end this year on Thursday 2nd April... yes, that's right... this year we worked right up to Good Friday! Whilst most other schools in the country had been making the most of their holidays for the previous one or two weeks, Whitgift boys and staff were working right up to the wire. And why not? Whitgift is a school that packs in so much that conventional term dates are just not good enough.

Early on in March, Performing Arts quite literally took centre stage in the Whitgift calendar, with Big School housing a week of performances of Arthur Miller's 'The Crucible'. Performed in the round and utilizing a cast of Upper School pupils, in conjunction with girls from Old Palace of John Whitgift School, the play was a triumph. Set against the intentionally-sparse stage design, the strength of the characters shone through, particularly Pavan Rao's superb rendition of John Proctor, Rebekah Elliott's loyal Elizabeth Proctor, and Charlotte Boris's conniving Abigail Williams. The courtroom scenes had the audience entranced, with gripping performances by Abbas Khan (*Deputy Governor Danforth*), Aaron Bird (*Reverend Hale*), and Alexandre King (*Judge Hathorne*), playing the austere and righteous officials, offset with the girls' convincing displays of hysteria.

The incredible success of the school's hockey teams has already been extensively reported upon in these pages, and so it will come as somewhat of a shock to hear that the First Eleven went crashing out of the National Outdoor Cup at the Quarter Final stage, losing 1-0 to Hurstpierpoint. It was the team's only loss to school opposition during the term, but that is what Cup sport is all about, and I am sure that the boys will have learnt a valuable lesson

from defeat. Elsewhere, the hockey juggernaut rolls on, with the U13s, 14s and 16s all reaching their respective National Finals.

Whitgift's U13 footballers achieved the outstanding feat of winning the Investec ISFA Cup for the fifth consecutive year, beating City of London Freeman School for Boys 4-0 in the final, on 5th March. Their incredible run in this national

competition is summed up glowingly by their coach, and former professional footballer, Mr Andrew Martin, "Over the five years Whitgift have participated in the tournament, they have played 29 games, won 29, lost 0, scored 178 goals, and conceded 13 - an incredible schoolboy achievement that is unlikely to be repeated anytime soon. The boys have been outstanding, showing a real belief in their ability. They were fantastic on the day, playing some great football and scoring four superb goals. They have played to their billing as favourites for the title, with stylish, attacking football. Well done to the boys and let's hope next year's crop can carry on the success." Upper Third pupil, Callum Hudson-Odoi, who scored a hat-trick when he played in last year's final, has been selected for England U15s in the Tournament Delle Nazioni, Italy at end April. England will play Italy, Egypt and Japan in their group.

In other sports news, the success story of the Rugby 7s season was the U13 side, who won the prestigious Berkhamsted tournament and were runners up at the Rosslyn Park national event. There were top performances from Whitgift at the 2015 British Schools Modern Biathlon Championships, which took place at the end of March. With 700 boys competing across the age groups, Whitgift had 30 boys representing the School at the Olympic Park. There were three team podium finishes: U12 Gold; U14 Silver; U15 Bronze, and First Former, Rowan Fuss managed to win the U12 individual gold award, which means he is well on the way to matching current OWs, **Joe Choong, Tom Lees, Sam Curry** and

James Myatt, who have all recently represented Great Britain in senior internationals, in their continuing bids for Rio qualification. In the National Fencing championships, the school achieved its traditional success, with the U14 team being crowned British Overall Champions across all three weapons and, on an individual level, Tarrig Roach winning the gold medal in the Epee event (out of 97 entrants) and Connor Head attaining the silver medal in the Master at Arms event. Lastly with regard to sport, Third Form pupil, James Smith, has been selected by Table Tennis England to play in the Cadet Home 6 Nations competition, due to take place in Cardiff, from 13-15th March 2015. James has been a part of the Youth Squad since September, a set-up geared to 'help the elite players of the future hit their full potential'.

Whilst sport often dominates the headlines in Whitgift life, the last two weeks of term saw other areas of the school occupy the limelight. For the past three years, a group of Year 9 boys, under the expert guidance of former BBC employee and now a pillar of the English department, Mrs Kate Goldberg, have taken part in the BBC News School Report day, working to a 1pm deadline to compile and then broadcast a news segment that is then transmitted across the nation. This year's broadcast took place on 19th March. (The boys' efforts can be viewed on the school website.)

The end of term was spectacularly ushered in with the hugely enjoyable Royal Festival Hall concert, which featured a programme involving multiple musicians and the entire First Form! Many OWs attended the concert, including Stranack, Lindblom, Warren, Flanagan, Blundell, Wilkinson, Woodrow, Proudfoot, many of whom are Past Presidents of the Association.

Who needs holidays? School is too much fun!

Dominic Edwards (1988-1996)

OWRFC - End of Season Report

Another season over! I'm pleased to report on a largely successful year. The standard of rugby in Surrey seems to go up every year, and with our unlucky run with injuries, we were happy with a 3rd place finish for the 1st VX. The Wanderers & Warriors both finished mid-table and continue to provide a good standard of fun, social rugby.

This season Tom Hipsey became the longest serving 1st XV Captain in the club's history. He takes the honour from Frank Benton who died in the First World War - it was this that inspired the club's trip to visit the war graves of 31 of our 40 players. The players' bar at the clubhouse has been renamed "The Benton-Hipsey Bar" in their honour.

Achievements like Tom's make you realise that sometimes it's important to take a step back and look at how far we've come. Ten years ago, we were down to one senior side, there was no junior section and things were looking rather bleak for our future. Thanks to the hard work of a band of hugely enthusiastic volunteers we're now up to three senior sides and have 250 children playing on a Sunday morning coached by a band of incredible volunteers. Kids who we hope will one day make the progression into the senior club. I think that's something for us all to be proud of.

We look forward to trying to further that success next season.

Sam Barke

Elliot Daly - Player of the Month

Elliot Daly, OW (2006-2011) has been named Aviva Premiership Player of the Month For March.

Elliot, who currently plays for Wasps at centre (22) scored two tries in March. His form has him pushing England's No 13, Jonathan Joseph, hard for his place. He looks almost certain to be included in Stuart Lancaster's England's World Cup training squad named next month.

Wasps director of rugby Dai Young told The Daily Mail: "If England are going to go out and win the Rugby World Cup, he's the type of player you've got to have in the team so I'd certainly like to think he's pushing for a place in the squad." BT Sport analyst Austin Healey added: "For a good couple of years now us rugby watchers have known of the potential of Elliot Daly. Over the last few months we have seen him realise it and perhaps with plenty still to come." Did you know that Elliot had been offered a contract with Surrey Cricket, before opting for a career in rugby? He has since appeared four times for England Saxons.

Danny Cipriani Visits Whitgift

England international **Danny Cipriani**, OW (2001-2005) visited Whitgift in March during which he was interviewed by a Whitgift Sixth Former. The full interview will be published in the next edition of Whitgift Life.

Old Whits Stars Inspire Juniors

Juniors from Old Whits RFC were privileged to meet Old Whitgiftian rugby stars **Henry Cheeseman** (2006-2014) and **Marland Yarde** (2008-2010) at rugby camp run by Harlequins at Whitgift Sports Club during the April school holidays.

Great that the guys found time in their busy schedules to get down to the Clubhouse and inspire the younger generation!

Remembering 1916 - Life on the Western Front

The organisation of the exhibition is progressing well with the launch date of Thursday 10th March 2016 fast approaching. The School is very appreciative of the OW response to its call for display items and assistance, but is still happy to hear from members who feel they are able to help in any way or lend articles for the exhibition. The focus of the exhibition will be the battles, including the Somme and Verdun, and personal stories of those both at the Front and back in England.

The Association is planning a major visit to the exhibition with an Old Boys Day at the School at our traditional time of the end of June 2016 - watch this space!

For further direct information please contact Mrs Louise Clark, Exhibition Project Manager, on email l.clark@whitgift.co.uk or telephone 07557 965589 or the WA Office.

Richard Blundell, Editor, WA Newsletter

WA President, Sir Keith Lindblom, invites you to
WA ANNUAL DINNER, FRIDAY 12TH JUNE

At the Caledonian Club, 9 Halkin Street, London SW1X 7DR

WA Members & Partners - £85; OW Non-members - £95
OWs Under 30 - £45

Pre-dinner drinks will be served in the Morrison Room, followed by an excellent three-course dinner in the Johnnie Walker Room. Wines can be ordered in advance or on arrival. After dinner, we shall have the opportunity to sample the Club's world-famous range of Malt Whiskies in a Malt Whisky Bar set up exclusively for us in the library. This will sell out fast, so **BOOK NOW** at

www.whitgiftianassociation.co.uk/events

Whitgift's
Open Garden weekends

It is with pleasure that the Headmaster invites parents and Old Whitgiftians to the School's **Open Garden weekends**, in association with the National Gardens Scheme and Open Garden Squares Weekend.

Please present this invitation to take advantage of admission for the whole family, for the price of just one ticket.

Afternoon Tea will be served within the beautiful Founder's Garden.

There will also be the opportunity to purchase plants grown at Whitgift, and featuring in the grounds, of which the proceeds will go to charity.

Sunday 7 June 2015, 1-5pm
 Admission: £3.50 adults, children free

Saturday 13 / Sunday 14 June, 10am-3pm
 Admission: £4 adults, children under 12 free
 (£10 advance booking for all OGSW gardens)*

RSVP office@whitgift.co.uk or 020 8688 9222
 no later than a week prior to the event
 Most garden areas are accessible by wheelchair
 *Special offer does not apply
