Golf and Barbecue at Croham Hurst Golf Club

Saturday 11th June 2016 at 2pm

Croham Road, South

We are privileged to hold this event at the lovely Croham Hurst Golf Club.

Croham Hurst golf course, designed by F.G. Hawtree and James Braid, was opened as an 18 hole course on 25th October 1911. Situated in gently rolling countryside just 2 miles from central Croydon, Croham Hurst is a delightful parkland course with densely wooded areas

This is a great opportunity for a friendly round of golf at the weekend at Croham and the opportunity to join the OWGS or introduce a guest who might like to join.

The idea is to enable anyone interested in joining the OWGS to come along either as a guest of a member or on their own where they will get to meet OWGS members and get an introduction to the OWGS. All standards of golf are welcome. All Old Whitgiftians, pupils and staff (current and former) of Whitgift School, and parents of pupils qualify to join, male or female. Anyone joining on the day will receive free membership for 2016.

The event is also an opportunity for anyone also interested in joining Croham Hurst to do so at a concessionary rate for the current year. There are various categories on offer, more details will be made available on the day.

Costs have been kept to a very reasonable level.

Any members who are also members of Croham Hurst need only pay for the bbq.

£35 for golf and bbq, £10 for bbq only

Partners of members and potential members are welcome to come to the bbq in the evening.
